In 1920 the first Viña Real wines were launched. These wines were produced from grapes grown around Elciego, in the heart of the Rioja Alavesa province. These vineyards, to this day are still controlled by Viña Real and continue to border the ‘Camino Real’ or ‘Royal Drive’; hence the origin of the Viña Real name. The Viña Real wines are modern in structure, balanced and elegant, with a potential for very long ageing in bottle, this last being the main characteristic of the Rioja Alavesa province.

The wine after malolactic fermentation happens to French oak barrels where it remains and American 13 - 14 months.

VINTAGE / HARVEST DESCRIPTION
The 2014 harvest amount exceeds the previous two vintages. During the year, the climatology was favourable resulting in a vegetative cycle that allows to expect a good vintage. Both the summer months and the harvest time have been marked by more rain than expected. Again preventive treatments performed in our vineyards, such as thinning clusters and leafless have allowed us to obtain a high quality grapes. The optimum time to harvest began the 23rd September, when we started harvesting white grapes and continued with red grapes, until it was finished on 22nd October with good perspectives.

TASTING NOTES
This wine shows shades of medium to deep shiny cherry colour. To the nose, intense aromas of ripe fruits (blackberries, blackcurrants) stand out, complemented with subtle hints of oak, vanilla and spices aromas. To the palate, it shows structured and round with a good integration of fruitiness and oakiness. The aftertaste is marked by very well balanced tannins as well as by persistent spicy, toasty and balsamic aromas. A long stay in bottle is the finishing touch to this Rioja Alavesa wine's character.
