## ROSADO 2014

In 1920 the first Viña Real wines were launched. These wines were produced from grapes grown around Elciego, in the heart of the Rioja Alavesa province. These vineyards, to this day are still controlled by Viña Real and continue to border the 'Camino Real' or 'Royal Drive'; hence the origin of the Viña Real name. The Viña Real wines are modern in structure, balanced and elegant, with a potential for very long aging in bottle, this last being the main characteristic of the Rioja Alavesa province.

### WINEMAKING

Upon arrival at the winery grapes in perfect condition and after a maceration of only six hours, we get carried bleeding gravity wine must. Fermentation takes place in stainless steel tanks at low temperatures prior to a cold maceration. The fermentation is carried out at a temperature below 16° around 20-25 days to keep intact primary aromas.

### VINTAGE / HARVEST DESCRIPTION

The 2014 harvest amount exceeds the previous two vintages.. During the year, the climatology was favourable resulting in a vegetative cycle that allows to expect a good vintage Both the summer months and the harvest time have been marked by more rain than expected. Again preventive treatments performed in our vineyards, such as thinning clusters and leafless have allowed us to obtain a high quality grapes. The optimum time to harvest began the 23rd September, when we started harvesting white grapes and continued with red grapes, until it was finished on 22nd October with good perspectives.

### TASTING NOTES

Clean, fresh and almost transparent, with a touch of coral colour. It is light and fresh on the palate with crisp acidity and floral aromas aftertaste, with balanced aromas of roses and red fruit.
